Aggressor Joins Workday Consulting Partner Program

Walnut Creek, CA – May 30, 2008 – Aggressor LLC, a business and technology consulting firm, today announced a new partnership with Workday, the leading provider of on-demand enterprise solutions.

Under the terms of the agreement, Aggressor’s experienced professionals will help rapidly deploy Workday’s innovative Human Capital Management (HCM), Payroll, and Financials products. These Workday-trained consultants will assist customers throughout their implementation, ensuring that processes and technology work together to deliver measurable results – fast.

“We’re very pleased to announce this partnership with Workday; we share a passion for making our customers happy and successful”, stated David Hom, founding partner of Aggressor. “Together, we can help our customers manage their businesses more effectively and profitably.”

About Workday

Workday is the leader in on-demand enterprise solutions for human resources and business management, with more than 60 customers spanning from mid-sized to Fortune 500 businesses. Built on a completely new model, Workday Human Capital Management and Workday Business Management use the most modern, standards-based technologies to provide an unparalleled level of agility, ease-of-use, and integration capability, offering customers significantly lower total cost of ownership than on-premise solutions. For more information about Workday, please visit www.workday.com.

About Aggressor
